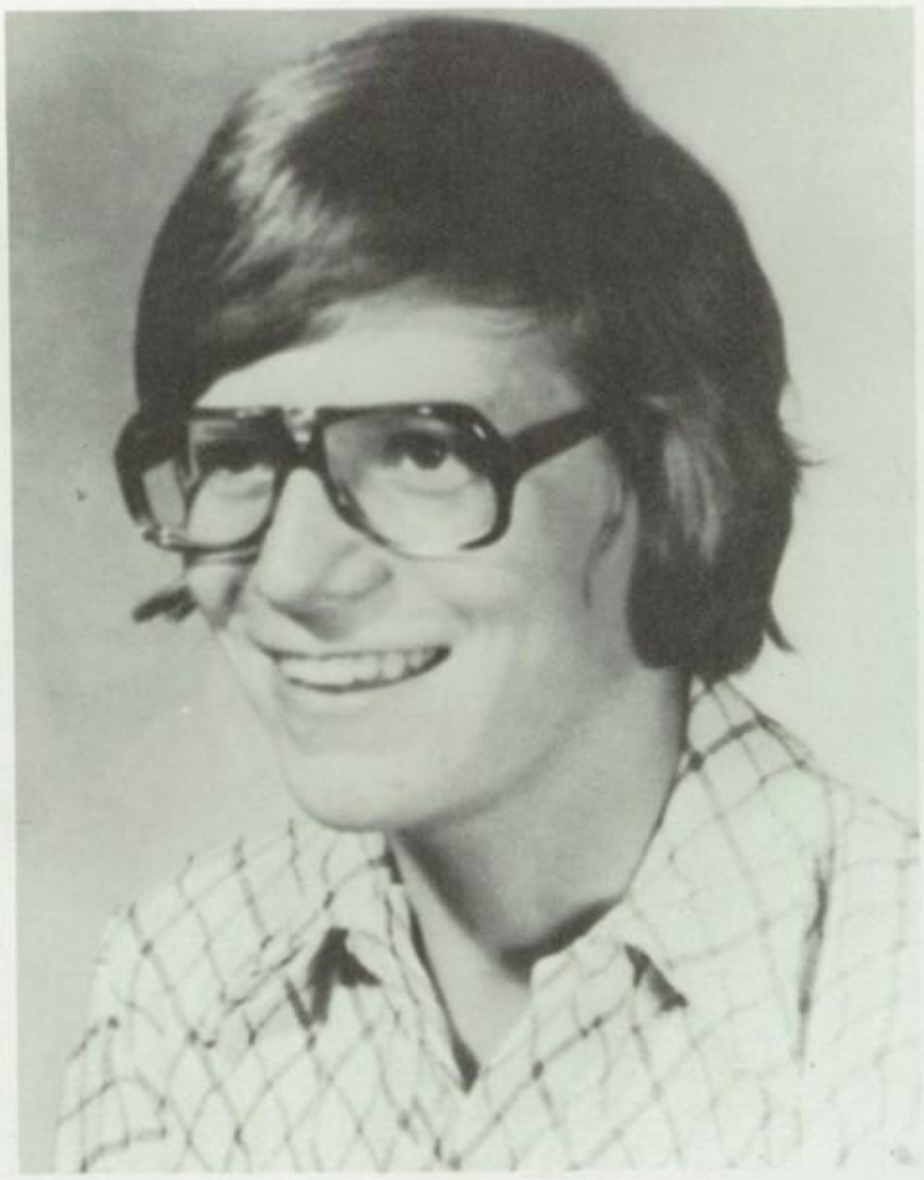
IN MEMORIAM



Jeff Geibel

GRADUATION TO GLORY

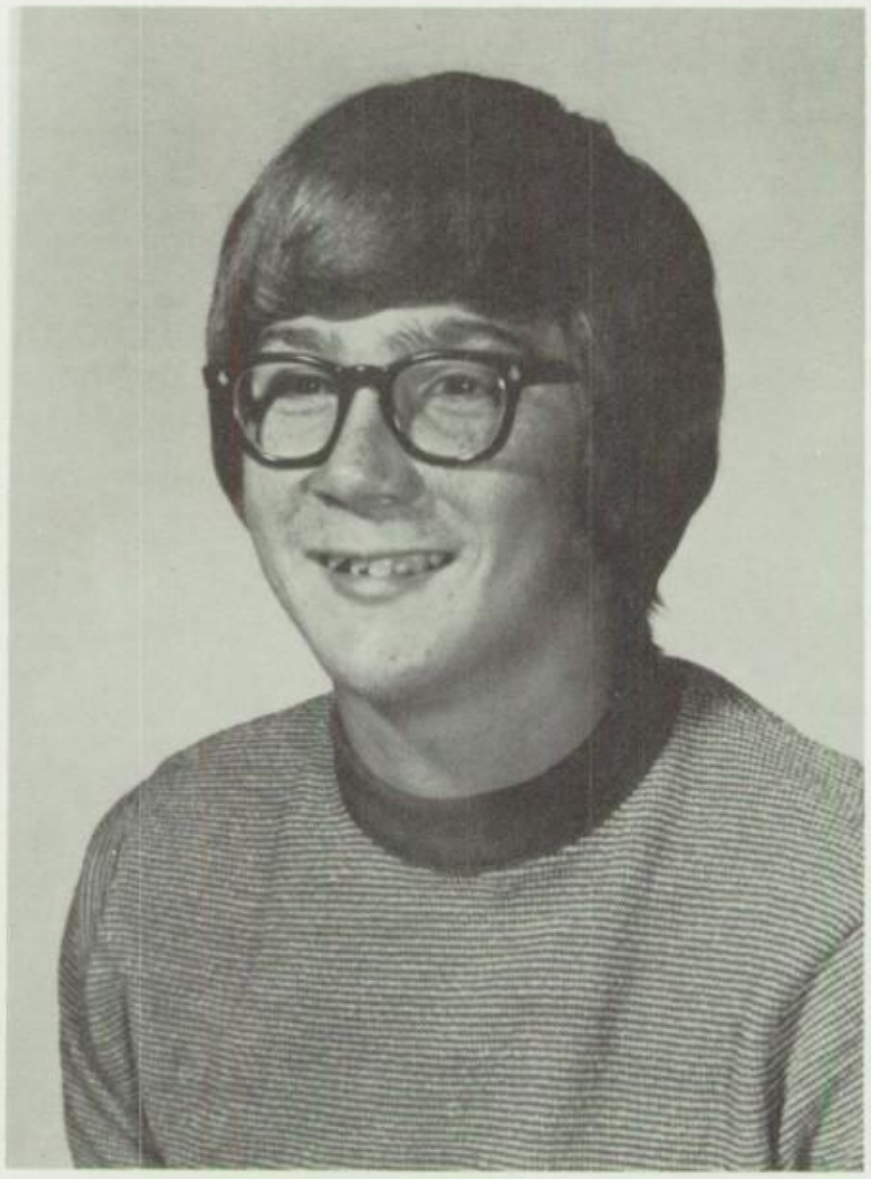
Our lonely hearts recall the ways
Of other years and other days,
When "all for one and one for all"
Bound us together, spring and fall.

We laughed together, wished and worked,
With many thoughts of duties shirked;
We never knew through passing years,
That some bring smiles, and others, tears.

We face Commencement now – beginners
In understanding; not all winners.
Some do not even finish the race
Until the call comes to a better place.

Bruce and Jeff's timeclocks were already set
With shorter hours than we have met;
The Great Timekeeper permits it so,
For ten thousand angels could have said, "No".

IN MEMORIAM



Bruce Schrecongost

We consider them here, in Spirit tonight;
To fail to acknowledge them wouldn't seem right.
They've preceded us in Graduation to Glory;
For us, future years are a different story.

Our present Class of '78
Has duties to share, as the time grows late;
We'll carry the Torch, tossed by Classmates' hands,
To meet many challenges in many lands.

Our earth-suits may hamper our Spirits' rise
To places of Freedom beyond the skies;
But when all of our life's races are won,
May our Heavenly Greeting be, "Well done".

– Gertrude B. Kelly

DEDICATION

We, the graduation class of 1978, respectfully dedicate our yearbook to Mrs. Lucy Hile in appreciation of he instruction, friendship, and guidance she has given us during our years at Karns City High School. Mrs. Hile, our seventh grade English teacher, gave us the needed encouragement in our first year at the high school. We gratefully wish her much success and happiness in her future years.
